cost to member **DEDUCTIBLE**

The medical and prescription deductibles are the amount of money a member or family must pay for certain covered services before WHA is responsible for those covered services. Each member enrolled as a family must meet the Individual with Family coverage amount or the Family coverage amount, whichever is met first.

MEDICAL (including inpatient, outpatient surgery and emergency services)

- \$2,500* Self-only coverage
- \$2,500* Individual with Family coverage
- \$5,000* Family coverage

PRESCRIPTION (Rx) — for Tier 2 and Tier 3 medications

- \$150* Self-only coverage or Individual with Family coverage

ANNUAL OUT-OF-POCKET MAXIMUM

The out-of-pocket maximum is the most a member will pay in a calendar year for covered services. It includes the deductible and copayments. Once the deductible and copayment costs reach the annual out-of-pocket maximum, WHA will cover 100% of the covered services for the remainder of the calendar year. Amounts paid for non-covered services do not count toward a member's out-of-pocket maximum.

- \$5,000 Self-only coverage
- \$5,000 Individual with Family coverage
- \$10,000 Family coverage
- none Lifetime maximum

Preventive Care Services

none Preventive care services, including laboratory tests, as outlined under the Preventive Services Covered without Cost-Sharing section of the EOC/DF

- Annual physical examinations and well baby care
- Immunizations, adult and pediatric
- Women's preventive services
- Routine prenatal care and lab tests, and first post-natal visit
- Breast, cervical, prostate, colorectal and other generally accepted cancer screenings

NOTE: In order for a service to be considered "preventive," the service must be provided or ordered by your PCP or OB/GYN, and the primary purpose of the visit must be to obtain the preventive service. In the event you receive additional services that are not part of the preventive exam (for example, procedures or labs resulting from screenings or in response to your medical condition or symptoms), you will be responsible for the cost of those services as described in this copayment summary.
